Hi Brent,

Could you forward me any SitReps that go out today regarding the CNMI Typhoon Recovery??
Dean told me to ask Dan Meer, but Dan's email indicates he's out of the office all week.

Thanks,

Dave

Hi Dan,

Can you put me on the distribution list to receive these emails about the CNMI typhoon response? Right now I'm putting together a Communicator Message for all R9 staff about the status of the typhoon response and the Gold King Mine spill, and I want to have the latest update.

Thanks!

Forwarding all the emails I was provide via Brent Maier, you may want to talk to Dan Meer or someone in Superfund to get on their email list.
